Experience

I'm a digital designer from Hertford with 7+ years experience, working my way up from freelance designer to senior designer at North Plains. I design clean websites with performant code.

Projects & Employment

CSSPurge.com (2016)
Design, HTML, SCSS, Gulp, Git, JS and React

North Plains (2009–2014)
Projects with Diageo, Distell, Fox Sports Asia, Lowe, Nokia, Nestlé, Shell, Virgin Holidays.

Diageo Smartbrand – North Plains
Research, design, prototype. Work with project managers, developers, clients to deliver the project. IE7+ support.

Shell – North Plains
CSS and HTML. IE7+ support.

Fox Sports Asia – North Plains
Front end development and critique for mobile responsive design. IE7+ support.

Freelance Designer (2007–2009)
Design projects with agencies TLC Marketing and Winona eSolutions.

Education

University of Westminster (BSc)
Multimedia Computing (2001–2003)

Skills

Design with a focus on web and typography. Front-end development with a focus on CSS, SCSS, HTML, and Git. Experience in Javascript, XSL, PHP.
